

## The 2024 Hooligan Invitational Tournament

**NOTE:** As of 1 March, the dates are locked in with the golf course & CGA Consolidated Club (formerly known as the O Club!)

All hands – get ready for another few days of fun, golf & stories! If you know someone with a Coast Guard affiliation who would like to play, please invite them through class notes or any social media. Also, we ask you to sign up as two-player teams. If you are a single, we will match you up. If your partner cancels, please advise us ASAP.

### **Schedule at Elmridge Golf Club, Pawcatuck, CT.:**

1000 Tuesday 4 June: 18-hole shotgun start: 2-Player scramble play against a twosome.

0900 Wednesday 5 June: 18-hole shotgun start: 2-Player scramble play against a twosome.

1800 Wednesday 5 June: **Tournament Dinner at CGA O Club (1800 Happy Hour).**

0800 Thursday 6 June: 18-hole shotgun start: 4-Player scramble play by flights determined by two-day total scores, followed by lunch & awards @ Elmridge Club immediately after the round of golf.

*Players under 70 years hit from white, 70 and over may hit from gold, men 80 and over and all women may hit from red.*

**There will be re-hit shots for all teams that are short one or two golfers. Specific tournament rules and further information will be on the Player Info sheet on Day One of the tournament.**

**Format** – Elmridge has 3 9-hole courses. The first day will be scramble medal play against the other team in your foursome. Two times around a 9-hole course. **You may select which teams you wish to play against the first two days, and we will try to pair you up with them. If you contact the other team** beforehand, so their request matches yours, it will be easier for us to schedule. Each team must use both members' drives at least three times on each nine the first two days. The winning team in each foursome gets a small prize. *Winners of ties will be determined by the scores on the 18th hole ON THE CARD (not your last hole), then #17, etc.*

The second day will also be scramble medal play with a **different twosome opponent**. Again, we will do our best to match everyone up as requested.

The **third day** will be in flights determined by your two-day total scores. We combine highest and lowest two-day scores for foursomes for each flight. Everybody seemed to like the talent spread and gave all of us a chance to play with new friends. Teams must use each teammate's drive at least once per nine holes but not more than 3 for any one player. Prizes will be awarded to each member of the winning & second place foursome in each flight. Ties will be broken as described above.

*Donated prizes for the raffle at the Tournament Dinner are appreciated.*
