

A YEAR OF *thanks*

2019 ANNUAL REPORT

## FROM THE PRESIDENT

**THE RESULTS ARE IN: THANKS TO YOU, WE GAVE BACK MORE THAN \$4,700,000 TO THE ACADEMY IN 2019.**

Through your generosity, we impacted academic & athletic enrichment, the cadet experience, leadership development, campus enhancements, & more.

**Our success is due to you.** We are grateful that you stepped up to support our cadets & ensure the Academy continues to develop the leaders of character our nation

deserves. We are grateful for your membership... membership matters & it allows us to do so much more. We are grateful for our hundreds of volunteers who are always there when we need them.

**We hope you know how much it means to each & every cadet,** the Academy's staff & faculty, & those of us here at your Alumni Association.

We will continue to share our appreciation & thanks throughout the year as we celebrate the amazing success of the All Present Campaign, while also keeping you up-to-date on our Campaign for the Maritime Center of Excellence.

**Until then... thanks for all that you did in 2019!**

With heartfelt gratitude,

Andrea Marcille, Captain (ret), '89

# MEMBERSHIP MATTERS

Membership in the Alumni Association truly matters. Membership connects alumni to each other & the Academy. Membership strengthens the bonds of the Long Blue Line & the Association. Membership supports alumni throughout their journey from Day One to retirement & beyond. Membership also gives back by supporting programs like the Link in the Chain featured below.

**So thank you to our more than 6,400 members... you matter!**

## STRENGTHENING THE LONG BLUE LINE

*CDR Jim "Tiger" McCarthy '72 (center) with two of his sponsor cadets 4/c Liz Cheatham (left) & 4/c Jessica Thorne (right)*

CDR Jim McCarthy '72 fully embraces the charge given by the Alumni Association's Link in the Chain program (LITC) – to connect

with the Coast Guard's future officers in meaningful ways as they embark on their journey to become leaders of character. Since his class was linked with the Class of 2022 on Swearing-In Day back in 2018, he has personally taken on six sponsor cadets, texting them words of encouragement throughout the year, meeting with them when he's in town, cheering them on at sporting competitions, sending them care packages whenever he can, & even getting them on the cover of *The Bulletin*. "They really appreciate being recognized," he said.

Each LITC class approaches their relationship with the next generation a little bit differently. While the Alumni Association encourages connections during pivotal moments throughout

the 200-week experience (such as Swearing-In Day, EAGLE port calls, Ring Dance & Billet Night), the Class of 1972 took it upon themselves to start a sponsor program. As of today, 61 cadets in the Class of 2022 have chosen to connect with 38 members of the Class of 1972.

"We not only share with the cadets the true breadth & depth of a Coast Guard career, but we're here to share with them that their class network will be invaluable throughout their life," said McCarthy.

McCarthy admits that he used to hate coming back to the Academy, but not anymore. "Since I've been in the LITC program, it's been so much fun to come back & interface with the cadets," he said. "They cured me."

## OUR AFFILIATES: ECLIPSE LEGACY COALITION

Over 100 alumni, friends, & cadets attended the first official Eclipse Legacy Coalition (ELC) event last September at the Rayburn House Office Building in our nation’s capitol. The event marked a reinvigoration of this Alumni Association affinity group that was created in 2015. The ELC governance committee worked closely with the Alumni Association to fine-tune their mission & vision that also included the creation of a new

symbol to identify their efforts, which was revealed at the event. “This is a bold vision that we have,” said CDR Mark Harris ’96, “to influence the future of the Coast Guard by fostering a diverse & inclusive Officer Corps through improving accession & providing a strong mentorship base to support the professional development and retention of members of color. Events like this one & people like yourselves are how

we are going to bring that vision to life.” The evening offered a chance to celebrate past successes such as establishing the Eclipse Legacy Fund in 2016, which since inception has raised close to \$200K, & the establishment of the Merle J. Smith Legacy Endowment in 2017 that honors the Academy’s first African American graduate. [www.cgaalumni.org/eclipselegacy](http://www.cgaalumni.org/eclipselegacy)

## OUR AFFILIATES: USCG WOMEN'S LEADERSHIP INITIATIVE

The USCG Women's Leadership Initiative's (WLI) impact on service-wide solutions continues to grow as they move into their 8<sup>th</sup> year. From empowering their chapters & members to supporting research & follow-on implementation, the WLI has moved the needle forward on key issues that aim to retain women in the Service. Now 20

chapters strong, with 7 added last year alone, the WLI supported 26 events throughout the country. WLI was also very much engaged with the Coast Guard's Personnel Readiness Task Force throughout 2019 & their work continues as progress was made on several issues including single-parent enlistments, weight policy, uniform regulations & tattoo restrictions.

Each of these small victories is helping shift the Coast Guard's culture toward one of inclusion. Quoting Coast Guard Commandant ADM Karl Schultz at his 2019 State of the Coast Guard address, "They're small ripples that will lead to a groundswell of cultural change." ## OUR AFFILIATES: USCGA PARENTS ASSOCIATION

Composed of 813 members & over 70 volunteers at the Board level, including the executive council, class representatives, committee members & chapter leadership, not to mention the many chapter members, the Parents Association provides a tremendous amount of support for the Academy & the Corps of Cadets. In 2019, the Association supported a variety of cadet activities & morale events, helped support cadet dayroom needs, & in just ten weeks,

raised over \$117,000 as part of their Finish 2019 Strong campaign in support of their \$1 million commitment to the new Emlen Tunnel Strength & Conditioning Center. The Association also supports the parents of the cadets, providing information & emotional support through each part of the 200-week experience. This year they organized car pools, shared the successes of Swab Summer via their weekly eNewsletter, welcomed cadets

to their states during Spring Break trips & EAGLE port calls, coordinated & celebrated at All Service Academy Holiday Balls, welcomed new swabs during Welcome Aboard picnics, and celebrated & honored the successes of the graduating class with awards at Commencement. In 2019, as in past years, whenever a need arose for the Corps or families of the Corps, the Parents Association immediately jumped in to help. [www.cgaparents.org](http://www.cgaparents.org)

*Helen Oh (above): Support from the Pistol Fund helped the Bears dominate the National Championship. Coast Guard won the open aggregate, open free, open standard, & several individual events.*

**ELITE ATHLETE FUND** (left): Our Elite Athlete Fund provided financial support to CGA alumni last year who possess both talent & opportunity to pursue athletic competition at the professional, Olympic, or elite level. More than \$387,000 went to support our elite athletes LTJG Nikki Barnes '17 (Sailing), & ENSs Helen Oh (Pistol) '19 & Brian Kim '19 (Pistol) in their quest to reach the 2020 Olympics.

*Eagle: As one of the All Present projects, EAGLE saw critical upgrades in 2019 thanks to the Class of 1978.*

**SUPPORT OUR SHIPMATES** (left): The “Support Our Shipmates” campaign was initiated by our members during the early days of the shutdown as our alumni & parents sought ways they could help. Within minutes of our campaign announcement, the donations came pouring in and over the course of the campaign we received in excess of \$230,000 from nearly 1,000 donors, enabling us to support our local Chief Petty Officers Association, Coast Guard Mutual Assistance, & the Corps of Cadets.

## ACADEMIC ENRICHMENT

While time in the classroom is critical to ensuring academic success, time spent in the field & fleet is just as impactful for the cadets. “To see civil engineering experts doing their job firsthand is irreplaceable,” said 1/c Lydia Van Winkle, who attended the Annual MOLES Student Day trip last year thanks to alumni funds. “The incredible feats of engineering they were accomplishing was inspiring.”

The MOLES organization is comprised of individuals now or formerly engaged in the construction of tunnel, subway, sewer, foundation, marine, sub-aqueous or other heavy construction projects. Each year alumni support enables critical field trips to occur, such as this annual trip that provides 2/c cadets studying civil engineering (CE) the unique opportunity to see first-hand a complicated, heavy construction job.

“The MOLES field trip was an eye-opening experience to the practicality of Civil Engineering,” said 1/c Miguel Moroles. “Being able to meet & see the wide range of professions in the field solidified my decision to study Civil Engineering.”

The CE Enrichment Fund is needed to fund buses for these trips, which the cadets consistently say is a highlight of the CE program. “Alumni funds are the cornerstone of our program in terms of field trips & any cadet academic activities above & beyond the classroom,” said CDR Corinna Fleischmann, CE Section Chief & Program Chair.

## LEADERSHIP/ NATIONAL PROMINENCE

The vision of the Loy Institute for Leadership (Loy IFL) is to “impact every cadet through innovative & high-impact co-curricular leader development programs over the 200-week cadet experience.” Mentoring is a strategic part of this process. It is a core component of the Loy Institute for Leadership’s LEAD Strategy: D - deepen understanding through mentoring.

The formal Cadet Mentoring Program tackles this imperative head-on by pairing a 2/c cadet with a Coast Guard Mentor for the year. Matches are based on the leadership development goals or career needs of the cadet.

“It has been a wonderful experience so far,” shares one cadet. “We have developed a great professional relationship & I look forward to meeting with my mentor every occasion!”

This critical program received a much-needed boost last year thanks to the All Present Campaign & lead donor to the Loy IFL, the Class of 1973. In providing the funds needed to partner with Chronus, a leading provider of mentor-enabling software, the Loy IFL is now able to provide large scale mentor program management, rich data analytics, fine-tuned matching, and diverse & valuable content through face-to-face mentoring sessions.

In addition to the formal Cadet Mentoring Program, the Loy IFL now offers targeted “Circle Mentoring” designed for specific high demand topic areas, where a few CG experts mentor groups of interested mentees in high-demand subject matter in planned sessions lasting the academic year. A third program in the works, “Flash Mentoring,” will offer one-off mentoring sessions where a cadet can seek out & request a single session with a specific mentor based on their needs & the mentor’s expertise.

# LEGACY

When the Class of 1959, led by RADM Joseph Vorbach '59, created the Alumni Association's first ever endowment at their 25<sup>th</sup> Reunion in 1984, the vision was to support the Commandant of Cadets in providing unmet needs for the Corps. They could have never imagined that it would become so much more – a true legacy of philanthropy forever linked to a future generation of Coast Guard officers.

Since the endowment's inception, it has supported everything from cadet activities to dances to its most visible project – the creation & sustainment of the Hall of Heroes in Chase Hall & its annual induction ceremony. Established in 2005, the Class of 1959 spearheaded the transformation of the first floor corridor into a prominent, commemorative landmark. Now, the area houses a stately series of signs & memorial plaques honoring heroic U.S. Coast Guard Academy alumni.

As the Class of 1959's 50<sup>th</sup> Reunion approached in 2009, they were intrigued by the Alumni Association's recently launched Link in the Chain Program, that pairs current Academy classes with their 50-year counterpart. The Class of 1959 took the opportunity to engage the Class of 2009 upon their graduation & bring them on as joint owners of the Class of 1959 Endowment. This move aimed to ensure the endowment's vision & intent remained strong well into the future, while also igniting a culture of philanthropy among the younger generation.

In 2014 at their 55<sup>th</sup> Reunion & the Class of 2009's 5<sup>th</sup> Reunion, "it was time for the younger generation to take over," said Class of 1959 Treasurer CDR Bruce Patterson, & complete ownership of the now 59/09 Endowment was transferred to 2009. By 2019 it had reached more than \$500K in value.

In late 2018 the Class of 2009 began thinking about their own contribution to the Academy in honor of their 10<sup>th</sup> Reunion. "Our relationship with 59 really jumpstarted our class gift process," said Kevin Keefe '09, who serves on his class gift committee. "The biggest benefit is that it helped us establish a culture of giving early in our careers."

At Homecoming last year the Classes of 1959 & 2009 held a joint tailgate to celebrate their unique relationship & the legacy created by both classes. They

celebrated 2009's first class gift to the Academy of \$75K, of which a portion went to growing the 59/09 Endowment & the rest supported the Emlen Tunnel Strength & Conditioning Center in honor of their fallen classmate LTJG Thomas Cameron (an aviator who lost his life in a helicopter training accident & was a soccer star while at the Academy). "We wanted to do right by the Class of 1959 & their legacy with this gift," said Keefe.

"As 2009 goes on & if they turn their money over to the Class of 2059, pretty soon you've got something that's been going on 200-300 years," said Patterson. "What's more important than anything is the continuation... that the Long Blue Line keeps on marching."

*Kevin Keefe '09 & Chris Woods '09 flank their fallen classmate Thomas Cameron's parents (top) during the joint 59/09 Tailgate at Homecoming last year. (bottom). # CAMPUS ENHANCEMENTS

Last year ground broke on the new Leamy Student Center, which will revolutionize how cadets come together to collaborate, study, & relax at the Academy. This new Center has transformed the current lower lounge of Leamy into a modernized space with comfortable seating & a design that fosters collaboration & relaxation. With a ribbon cutting planned for later this year, cadets are eager to enjoy the space along with its new café that will offer healthy grab-and-go food options such as fruit smoothies, assorted salads, & sandwiches on artisan bread. “Our plan is to use local businesses for products whenever possible,” said Paula Springer of the Academy’s MWR office, who will be managing the new café. “For example, Deke’s Bagels out of Niantic & Hosmer Soda in Willimantic.”

The one thing that won’t be local is the coffee. Starbucks will be served, including its specialty coffee drinks – a welcome addition to the campus.

It’s just another one of our projects that will impact the Corps, the Academy, & the Coast Guard in positive ways for years to come. Thank you to the Classes of 1967, 1970 & 2007!

# CADET EXPERIENCE

Cadet life is hard, but thankfully Alumni Association funds support activities, clubs, & extracurriculars that make the 200-week experience a bit easier & more fun! & sometimes, it even results in the community coming together to laugh, sing, & dance. Supported by the Class of 1961 Fund, the Cadet Musical brings around 1,600 patrons to the Academy one weekend during the spring semester for two public shows, while the entire Corps & faculty attend a private show on Friday evening.

“It brings together cadets from all year groups, athletic abilities & talent levels, as well as parents, community members, & even past cadets,” said Abby Lund, assistant director of the cadet musical. “It provides an opportunity for the cadets to step outside of their comfort zone & military obligations to explore their creative side.”

From helping to build the set, designing & running the lights, to performing on stage, an average of 40 cadets each year are involved in every aspect of the production.

“Coming into 4/c year I did not have much experience with musicals, but I have always loved to sing & dance,” said 3/c Mckinley Stephens, who performed in last year’s show *9 to 5*. “I jumped at the chance to join the musical because it meant I’d have an outlet to do what I love everyday.”

From auditions in November to the daily 2-hour rehearsals that start in January to the time spent sorting out the technical aspects of the show, cadets & volunteers put in thousands of hours to ensure a wonderful experience for attendees. “We view it as an opportunity to give back to the community & say thank you for all they do in support of the Academy,” said Lund.

# ATHLETIC ENRICHMENT

In 2019 the Alumni Association supported more than 30 coach & staff positions, & team travel for all sports in the Division of Athletics. These funds were made available through Bear Club funds & the *CGA Today!* Fund. Thanks in large part to this financial assistance, Coast Guard improved its rank in the Learfield IMG Directors' Cup for the fourth consecutive year!

Throughout college athletics, success in the Directors' Cup is recognized as the standard measure of excellence for Divisions I, II, & III. In 2019 the Bears finished 74<sup>th</sup> among all Division III programs. This marked a nearly 250-place improvement over the past four years. A member of the highly competitive New England Women's & Men's Athletic Conference, the Bears finished behind MIT, Springfield College, & WPI. Points are awarded for postseason performance from several NCAA sports, & Bears earned most of their points during the winter season.

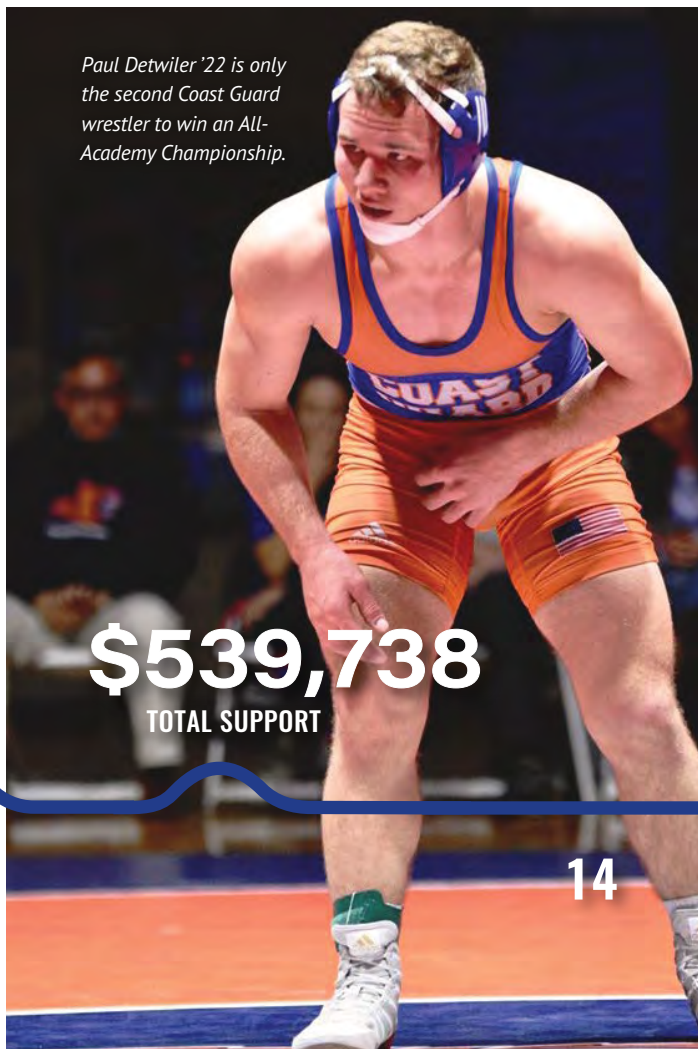

Men's & Women's Track & Field combined for 112 of CGA's 266.25 points. Alumni Association support for the Track & Field team helped Kaitlyn Mooney '21 win the 5000 Meters at the NCAA Division III Indoor Track & Field Championship & run the fastest time ever (16:23.12) in DIII history.

Men's & Women's Swimming & Diving combined for 108.25 points. The Bears ranked 16<sup>th</sup> nationally & sent a record 11 athletes (7 men & 4 women) to the NCAA Division III Championship, 4 of which earned All-America honors.

Wrestling earned 46 points. Led by 2019 New England Wrestling Association Coach of the Year, Kevin Bratland, & 2019 New England Wrestling Association Assistant Coach of the Year, Dylan Foley, the Bears ranked 18<sup>th</sup> nationally & sent a record 5 athletes to the NCAA Division III National Championship.

## VOLUNTEERS

Outgoing 2019 Board Members

We would not be able to accomplish our mission without the many volunteers who give selflessly of their time & talent. Close to a thousand volunteers last year enabled us to keep our alumni connected to each other & the Academy, helped connect alumni with their passion, offered a helping hand during our many events throughout the year, worked to foster connections with all of our alumni, supported the Academy's recruiting efforts, & so much more!

We'd like to give a special shout out to two of our volunteers, who we see in our office each week: our tireless office volunteer Raymond Dimmock '68 & photographer extraordinaire Mr. Paul Duddy '71. Since 2017, Ray has spent around 9 hours a week in our office helping us with data entry, database clean up, & the occasional moving of boxes. Paul puts in an estimated 50 hours a week photographing all aspects of cadet life, bringing joy to parents & connecting his thousands of followers to the Academy.

## THE ALEXANDER HAMILTON HERITAGE SOCIETY

Named in honor of the first Secretary of the Treasury & founder of the Coast Guard, this Society was established in 1991 to recognize alumni, parents & friends of the Academy who have made provisions in their estate plans that benefit the U. S. Coast Guard Academy Alumni Association. When an individual or family informs us of their charitable intentions the Alumni Association will officially recognize those donors as members of the Alexander Hamilton Heritage Society (AHHS) during their lifetime. The Alumni Association is grateful to the following members of the Alexander Hamilton Heritage Society whose vision & generosity through the establishment of a planned gift will help the Academy & its cadets for years to come. **The newest members of the Society are listed in bold.** **P indicates that the AHHS member is a parent of an alum.**
