

USCG Women's Leadership Initiative
Seattle Networking Luncheon
September 15, 2018 aboard *Holland America's Eurodam*

Sponsorship Opportunities

Your support of the WLI Seattle Networking Luncheon, hosted by Holland America Line aboard the *Eurodam*, will allow Coast Guard service members and industry leaders to come together in a collaborative environment. Idea sharing and shared best practices will help improve female retention in both the Coast Guard and maritime industry. Sponsorship dollars support event attendance for Coast Guard enlisted members, junior officers, and junior civilians and provide funds for future networking and professional development opportunities.
